

Bottle filler and drinking fountain with silver powder-coated finish & pedestal

Haws®

FEATURES & BENEFITS

DRAIN CLEAN-OUT

Top-down access to the drain allows the fountain to be cleaned without taking the unit apart, good for outdoor settings with drain-clogging sediment such as leaves, garbage, and other debris.

BARRIER-FREE

Barrier-free capabilities combined with its ease of use allows for a number of installation location possibilities.

BUBBLER HEAD

Polished chrome-plated brass bubbler head with integral basin shank for added strength. Shielded, angled stream opening provides a steady, sanitary source of drinking water at .45 gpm.

PUSH BUTTON VALVE

The push-button activated valve has an all stainless steel body, with chrome plated brass push button assembly which allows for front access to water stream adjustment, water control cartridge, and water supply strainer replacement without having to go through the bottom plate. Operating pressure range of 30 to 90 psi (2.1 to 6.2 bar).

BOTTLE FILLER

Hydration made easy with an industry leading 17" bottle area opening to allow more users access to this push button operated bottle filling station.

MODULAR CONFIGURATION

Bottle filler, drinking fountain, dog bowl and/or hose bib can be re-positioned, added or removed on site at any time. Side arm(s) can be placed high or low within its opening, and valve button position can be placed in any direction.

SPECIFICATIONS

Model 3621 modular outdoor, barrier-free, pedestal bottle filler and drinking fountain shall include a 3/16" phosphated-steel pedestal with silver powder-coating, two bottle filling stations and one drinking fountain, push-button operated stainless steel valves with front-accessible cartridge and flow adjustment, polished chrome-plated brass vandal-resistant shielded bubbler head, large-opening bottle filler with quick-fill 1 gpm flow rate, 100% lead-free waterways, polished chrome-plated vandal-resistant fountain waste strainer with top-down clean-out access on fountain, vandal-resistant access plates, integral mounting feet, and 1-1/2" slip waste.

OPTIONS

- ❑ Modular Outdoor Bottle Filler Dog Bowl: Model 3670, dog bowl for the 3600 series modular outdoor pedestals. Available in three standard colors - order 3670-01 silver, 3670-02 blue, and 3670-03 green.
- ❑ Modular Outdoor Pedestal Lockable Hose Bib: Model 3660, compression hose bib faucet housed in a lockable compartment for the 3600 series modular outdoor pedestals. Available in three standard colors - order 3660-01 silver, 3660-02 blue, and 3660-03 green.
- ❑ Modular Outdoor Pedestal Hose Bib: Model 3661, panel mounted compression hose bib faucet for the 3600 series modular outdoor pedestals. Available in three standard colors - order 3661-01 silver, 3661-02 blue, and 3661-03 green.
- ❑ Replacement Nozzle for Modular Bottle Filler: The VRKNOZ1 is a package of ten replacement nozzles for the Haws 3600 series bottle filler. Not for freeze resistant models.

APPLICATIONS

The 3621 offers a solution for the changing needs of outdoor settings as well as outdoor wheelchair access, appealing to all users through accessibility and safety. This outdoor bottle filler is ideal in areas such as parks, schools, and other outdoor areas where hydration facilities are needed. Model meets all current Federal Regulations for the disabled including those in the Americans with Disabilities Act, and complies with Prop 65. Certified by CSA to NSF/ANSI 61, section 9 and NSF/ANSI 372; and was evaluated to be compliant to US and Canada Plumbing Codes including Uniform Plumbing Code (UPC), International Plumbing Code (IPC) and National Plumbing Code of Canada (NPC).
